

The Ethos & Aims of Argyle House School

Ethos

Argyle House School has a strong family background. This results in a very safe and caring environment, one which is often reflected in a family itself. Feeling part of the A.H.S family is emphasised in the way the children are taught and helped to develop into strong individual characters, who will be able to succeed in the world today.

Argyle House School emphasises that education should be fun, but that each child should work hard to achieve their best, reflected in the school's motto "**Work Conquers All,**" embracing **Responsible, Reflective, Resourceful, Resilient, Reasoning and Respect.** This is achieved through the dedication of the teaching staff, the small class sizes and the facilities on offer to the children.

Aims

Argyle House School aims to give the children the facilities of a large school, but keep the class sizes small. This offers each individual child the opportunity to learn and fully develop his/her abilities:

- ❖ Academically
- ❖ Socially
- ❖ Emotionally
- ❖ Physically
